

REPORT

To the Honorable Mayor and City Council
From the City Manager

June 18, 2007

SUBJECT

Annual Appropriations Limit for FY 2007/08

RECOMMENDATION

Adopt a resolution establishing the appropriations limit for FY 2007/08.

BACKGROUND

In 1979 the voters of the State of California passed Proposition 4, the Gann spending limit initiative. The initiative establishes and defines annual appropriation limits for state and local government entities and requires that the City adopt an appropriations limit annually. Moreover, the initiative provides for annual adjustments for changes in population (for the City or County, whichever is greater) and either the statewide percentage change in per capita personal income or percentage change in assessed valuation attributable to growth in non-residential new construction.

The recommended appropriations limit for FY 2007/08 is \$288,449,808 while the limit for FY 2006/07 was \$273,586,214. The estimated proceeds of taxes for FY 2007/08 is only \$59,177,064, well below the \$288,449,808 legal limit.

The attachment displays the calculations utilized to arrive at this amount.

ALTERNATIVES

There are no practical alternatives as Article XIII B of the State Constitution requires that the state and all local entities adopt an appropriations limit annually.

FISCAL IMPACT

There is no fiscal impact associated with adopting the recommended appropriations limit as the appropriation of the proceeds of taxes is well under the recommended limit.
