

Infant • Preschool • Child Care Programs in Redwood City

The following center-based, licensed programs serving the Redwood City community vary in hours, fees and ages served. Parents can call each program for specific information and to make an appointment to visit. Programs indicated with ** have State-subsidized spaces for income-eligible families. Licensed family child care homes also provide early care and education services. Call the Child Care Coordinating Council (4Cs) for referrals or for information on how to choose high quality child care or preschool or for help to pay for child care: 655-6777. Spanish-speaking counselors are available.
