**Cc:** PWS-Marilyn Harang  
**Subject:** County numbers outdated

Hi -

our HHW program got a call recently from a RWC resident who got our old office number from the RWC website.

They didn't specify where on the site the old number (363-4305) appears, so I searched within the site and found 6 places.

1. the Contact Us page [please change to 372-6200] Corrected page info in attached PDF
2. a Tire Recycling event pdf [it happened over a year ago - please delete from site] Ignore - its old release
3. the Code Enforcement page (.org/cds/codeenforcement/) [please change to 372-6200] correction in PDF attached
4. the Bay and Ocean begin at Your Door pdf [please delete - new one being sent to Marilyn] New brochure marked up
5. free tire recycling event press release [please delete] Ignore
6. BASMAA's Blueprint for a Clean Bay [can't change; but could page that links to it include a note with our new number? Marked up

Thanks so much for your help keeping the public up to date.

[City Codes](#)

[Zoning Ordinance](#)

[Brochures](#)

[Codes of Ethics](#)

[Remedies](#)

[Professional Associations](#)

[Training](#)

[FAQ](#)

**Latest update:** [Become a Code Enforcement volunteer!](#)

The Code Enforcement staff is made up of six building inspectors, two Community Service Officers, and one Code Enforcement Officer.

### Building Inspectors

Building Inspectors are part of the [Building & Inspection Division](#) who deal with construction that need permits, garage conversions, fences, zoning issues, etc.

### Community Service Officers

Community Service Officers (CSO), as part of the Police Department, work with the Building and Inspection Division on a two year detail. CSO'S generally enforce non-building codes, which are violations *outside* the building. Building Inspectors generally enforce codes *within* the building, however, duties frequently overlap. More specifically, Code Enforcement Officers enforce:

- **NEW** [Report an Abandoned Shopping Cart](#)
- **Trees** - [Illegal pruning of trees](#) [pdf]
- **Weeds** - [Overgrown weeds and vegetation](#) [pdf]
- **No Building Permits/Stop Work Notices** - Proper permits for all construction
- **Animals** - Number and type of animals under City Code
- **Illegal conversions** - [Gargages converted into living quarters](#) [pdf]
- **Zoning Ordinance Violations** - Fence heights, shed sizes and location, and businesses operating in designated areas, etc.
- **Inoperative vehicles** - [Inoperative vehicles on private property](#) [pdf]. For [inoperative vehicles on public streets](#), please contact Police at 780-7150

For more information, go to [City Codes](#)
