## Planning Palestine: Urban Design Amid the Israeli/Palestinian Conflict

Featuring Architect and Urban Designer

## Doug Suisman, FAIA

Founder and Principal of Suisman Urban Design, Santa Monica, CA

Doug Suisman's award-winning project - "The Arc: A Formal Structure for a Palestinian State" - has been the subject of worldwide media attention. Suisman will discuss the evolution of the project, its roots in both Northern and Southern California, and its emphasis on smart growth, preservation, and sustainable design. He'll also provide a personal perspective on what it's been like for an urban designer to be drawn into the political and diplomatic whirlpools of one of the world's most turbulent and fascinating places.

**Wednesday, October 4, 2006**  
**6:00 — 7:45pm**

Doors open at 5:30pm

Coffee and no-host bar available

**Please note:** The Forum will be held on the first Wednesday of each month through May 2007.
