SYNOPSIS OF ALARM: Redwood City Fire Fighters along with Firefighters from Menlo Park responded to a report of smoke coming from a building in the 700 block of Woodside road. On arrival at 740 Woodside Road we were met by heavy smoke coming from the business. The doors were locked and crews had to force their way in. First arriving companies found a fire in the back corner of the business and it was quickly extinguished. The business was heavily damaged by the fire as it had time to build and create a lot of heat before it was reported. There were no injuries as a result of this fire.

The cause of the fire is under investigation.
