SYNOPSIS OF ALARM: Redwood City Fire Fighters along with Firefighters from Menlo Park Fire responded to a structure fire. The first units on the scene were met by a well involved fire of a shed, garage and extension to the house. Hose lines were stretched and the fires were contained within 12 minutes. There were no injuries reported. The family of the house was displaced for the night. The Red Cross found housing for them. The Family was home at the time and was alerted to the fire by someone knocking on the door. There were no smoke detectors in the house.

Remember that a properly working smoke detector is a family's first line of defense against a hostile fire. Please make sure that your smoke detectors are working properly.

The cause of the fire is under investigation.

REPORTING OFFICER: Battalion Chief Geoffrey Balton
