Council Member Howard – stated that at the September 25 Council meeting under Matters of Council Interest, she would be bringing up the topic of legislation to be signed by Governor Schwarzenegger that would restructure the Water Transit Authority changing the 11 member board to a 5 member board. The board would be the Water Emergency Transit Authority and would bring emergency transportation and disaster preparedness under the umbrella of water transit. The concerns would be outlined in a letter requesting that there be a San Mateo County representative and that the citizen advisory committee be retained.
