On July 28, 2003, the City Council awarded the construction contract for 2002-2003 Slurry Seal Project to Graham Contractors, Inc. of San Jose, California, for their low bid of \$262,635.30.

The project has been successfully completed in accordance with the Plans and Specifications for a total cost of \$201,112.67. One change order was issued for a total credit of (\$61,522.63), which represents 23.4% of the original bid price. This change order is for the adjustment of quantities.
