

REPORT

To the Honorable Mayor and City Council
From the City Manager

February 26, 2007

Subject

Dates for Budget Consideration

Recommendation

It is recommended that the dates for formal action of the budget be approved.

Background

Sections 51 and 51.5 of the Redwood City Charter require that the City Council establish the date of the budget presentation by the City Manager, the dates for budget public hearing, and the budget resolution adoption.

Budget Sent to Council: May 31, 2007

City Council Budget: Study Session #1 June 18, 2007
Study Session #2 June 25, 2007

Budget Resolution to Council July 9, 2007

Alternative

Although the City Charter requires that the Council, by motion, establish a date upon which the "...City Manager shall submit to the Council a proposed budget..." it is nonetheless the Council's prerogative to select the date that they believe is most appropriate. Accordingly, the dates provided in this report are those dates recommended by the City Manager and may be changed at Council's discretion.
