

Choose your own Adventure

with BRIDGE CARE

Circus in the morning and drawing in the afternoon? How about basketball in the morning and cooking in the afternoon? We have you covered!

While we have a ton of camps this Summer, these camps are all a part of our Bridge Care program which offers kids and their parents flexibility in planning for the week! You will need to sign up for each camp separately and for the applicable Bridge Care for that week. Our staff will pick your child up from their morning camp, take them to Red Morton Center to eat their lunch, and then walk them safely to their afternoon camp. *TIP: Feel free to sign up for Bridge Care without a morning or afternoon camp option if you want to gain an extra hour of care!*

NOTE: Some camps do not require you signing up for bridge care if you are taking both the AM and PM offering by the same provider. Also, some options are offered as full day camps with discounted rates. See individual listings for details. We also have plenty of additional Full Day Camps to choose from.
