PREAMBLE

This Memorandum of Understanding (hereinafter MOU) is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This MOU shall be presented to the City Council of the City of Redwood City as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing September 1, 2011, and ending August 31, 2015.

SECTION 1 - RECOGNITION

1.1 Union Recognition

Redwood City Police Sergeants Association, hereinafter referred to as "the Association," has been recognized as the Majority Representative, pursuant to the Employer-Employee Resolution of the City adopted August 7, 1972, for the regular full-time employees assigned to the classes set forth in Section 7 of this MOU. This unit of employees shall for the purposes of identification be titled the Sergeants Unit.

1.2 Employer Recognition

The City Manager is the representative of the City of Redwood City, hereinafter referred to as "the City," in employer-employee relations pursuant to the Employer-Employee Resolution of the City adopted August 7, 1972.

SECTION 2 - EEO/ADA

2.1 No Discrimination

It is the policy of the City of Redwood City to provide equal employment opportunity to all employees and applicants for employment. All employment practices, such as recruitment, selection, promotions, and other terms and conditions of employment are administered in a manner designed to ensure that employees and applicants for employment or services are not subjected to discrimination on the basis of age (over 40), race, color, sex, national origin, medical condition, disability (except where a disability is a bona fide occupational disqualification), sexual orientation, marital status, religious or political preference or union affiliations.

2.2 Americans With Disabilities Act (ADA)

Because the ADA requires accommodations for individuals protected under the Act, and because these accommodations must be determined on an individual, case-by-case basis, the parties agree that the provisions of this MOU may be disregarded in order for the City to avoid discrimination relative to hiring, promotion, granting permanency, transfer, layoff, reassignment, termination, rehire, rates of pay, job and duty classification, seniority, leaves fringe benefits, training opportunities, hours of work or other terms and conditions of employment.

The Association recognizes that the City has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions. The Association will be notified of these proposed accommodations prior to implementation by the City.

Any accommodation provided to an individual protected by the ADA shall not establish a past practice in the grievance/arbitration procedure.

Prior to disregarding any provision of this MOU in order to undertake required accommodations for an individual protected by the Act, the City will provide the Association with written notice of its intent to disregard the provision and will allow the Association the opportunity to discuss options to disregarding the MOU.

SECTION 3 - ASSOCIATION SECURITY

3.1 Dues Deductions

The Association may have the regular dues of its members deducted from the employees' paychecks; provided, however, that such dues deduction shall be made only upon the written authorization of the individual employee.

Payroll deductions shall be for an amount specified by the Association and uniform as between employee members of the Association, and shall not include fines or fees.

Authorization, cancellation or modification of payroll deduction shall be made upon forms provided by the City. The voluntary payroll deduction authorization will remain in effect until employment with the City is terminated or until canceled or modified by the employee by thirty (30) days advance written notice to the City.

Amounts deducted and withheld by the City shall be transmitted to the employee designated in writing by the Association as the person authorized to receive such funds, at the address specified.

The employee's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no deductions will be made to cover that pay period from future earnings. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all required deductions have priority over the Association deduction.

The Association hereby agrees to indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Association dues. In addition, the Association shall refund to the City any amount paid to it in error upon presentation of supporting evidence.

3.2 Bulletin Boards

The City shall provide suitable space for a bulletin board in the Police Department. The Association shall provide a bulletin board no larger than 30" x 40". The Association shall only be allowed to use such bulletin boards for communications having to do with official Association business, such as time and place of meetings.

3.3 Use of City Facilities

City employees or the Association or their representatives may in accordance with established City policies, be granted the use of City facilities for meetings of City employees provided space is available.

The use of City equipment other than items normally used in the conduct of business meetings, such as desks, chairs, ashtrays, and blackboards, is strictly prohibited unless written approval is received in advance from the City, the presence of such equipment in approved City facilities notwithstanding.

3.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Association if affected by any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council, by any board or commission of the City, or by any department, and the Association shall be given the opportunity to meet with such body prior to adoption. In cases of emergency when the City management determines that an ordinance, rule, resolution, or regulation must be adopted immediately, without prior notice of meeting with the Association, City management shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such ordinance, rule, resolution or regulation.

3.5 Access to Work Locations

Reasonable access to employee work locations shall be granted employees of the Association and their officially designated representatives, for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation.

Such employees or representatives shall not enter any work location without the prior consent of the City Manager or his or her designated representative. Pre-arrangement for routine contact may be made by agreement between the Association and the department head and when made shall continue until revoked. Access shall be restricted so as not to interfere with the normal operations of the department or with established safety or security requirements. Solicitation of membership and activities concerned with the internal management of the Association, such as collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature shall not be conducted during working hours unless approved in advance by the City Manager or his or her designated representative.

SECTION 4. CITY RIGHTS

To insure that the City is able to carry out its constitutional, chartered and statutory functions and responsibilities, nothing contained herein shall be construed to require the City to meet and confer on matters which are solely a function of management, including the right to direct the work force; to select and determine the number and types of employees required; to determine the content of job classifications; to hire, transfer, promote, suspend, discipline and discharge

employees; to assign work to employees in accordance with the requirements of the City; to establish and change work schedules and assignments; to lay off employees for lack of work; to expand or diminish services; to subcontract any work or operations; to determine and change methods of operations; to determine and change work locations and the processes and materials to be employed; to take all necessary actions to perform its functions in emergencies.

SECTION 5. ASSOCIATION REPRESENTATIVES

City employees who are official representatives or unit representatives of the Association shall be given reasonable time off with pay to attend meetings with management representatives, or to be present at hearings where matters within the scope of representation or grievances are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City Human Resources Director. Such employee representatives shall submit a written request for excused absence to the Police Department head or his or her designated representative with an information copy to the City Manager, at least two (2) working days prior to the scheduled meeting whenever possible. Except by mutual agreement, the number of employees excused for such purposes shall not exceed two (2).

SECTION 6. NO STRIKE

The Association, its members and representatives, agree that they will not engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, curtailment of production, concerted refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound) or to perform customary duties; and neither the Association nor any representatives thereof shall engage in job action for the purpose of effecting changes in the directives or decisions of management of the City, not to effect a change of personnel or operations of management or of employees not covered by this MOU.

SECTION 7. PAY

7.1 Pay Period

Employees shall be paid bi-weekly.

Effective September 1, 2006, all new hires shall participate in a mandatory direct deposit program.

- 7.2.2 An employee may be eligible for a salary adjustment to the next higher step above the initial step or rate to which appointment was made upon the satisfactory completion of six (6) consecutive months' employment. An adjustment shall be made only upon the recommendation of the department head and upon approval of the City Manager.
- 7.2.3 Progression of employees from the second step to the third step of the salary plan may be made upon completion of a minimum period of one (1) year at the second step and upon consideration of such employee's performance of duties, experience, education, personal fitness for the position, and other criteria reasonably related to awarding increased compensation on the basis of merit. An adjustment shall be made only upon the recommendation of the department head and upon approval of the City Manager.
- 7.2.4 Progression of an employee from the third step to the fourth step and the fourth step to the fifth step of the salary plan will be based upon the completion of the period of one (1) year's service at the respective lower step.

7.3 Salary Increase on Promotion

When a Police Officer is promoted to Sergeant, the officer's base salary will be increased to the step in the Police Sergeant range that represents no less than a five percent (5%) increase. Any differentials the employee received prior to appointment to Sergeant will not be used in calculating the five percent (5%) increase. The differentials that the employee qualifies for as Sergeant will be added to the newly promoted employee's Sergeant base salary. In the event the promotional appointment is made at the second or higher step, the promoted employee shall be eligible for a salary increase in six (6) months following the promotional appointment.

7.4 Overtime

7.4.1 Forty (40) Hour Workweek Employees

Overtime for unit members in the Police Department is the authorized time worked beyond the forty (40) hour workweek. Payment for overtime will not be made unless such overtime has been authorized in writing by the Police Chief or designated representative prior to such overtime being worked. Overtime shall be compensated at one and one-half (1-1/2) times the employee's rate of pay.

7.4.2 Definition of Overtime Rate of Pay

The overtime rate of pay is defined as one and one-half (1-1/2) times the total of the employee's base rate of pay plus any premium pay and any educational incentive pay, prorated to an hourly amount, that the employee receives pursuant to Section 7.5 herein. Premium pay under Section 7.5 includes night differential, Administration, Investigation and training differential. In the event that the City

and the PSA agree to establish any additional forms of premium pay, such newly created forms of premium pay will also be included in computing the overtime rate of pay.

7.4.3 Compensatory Time

Upon request employees represented by the Association shall be compensated for such overtime in compensatory time off to a maximum accumulation of eighty (80) hours of compensatory time off.

7.5 Premium Pay

Employees assigned to administration, investigations, CCAT, Traffic, Training, Narcotics Task Force, and Youth Services shall receive premium pay of five percent (5%) of the employee's base pay.

Employees, who are regularly assigned to a night shift, commencing between the hours of 2:00p.m. and 2:00a.m., shall receive an increase of 5% of their base pay.

7.6 Court Pay

An off-duty employee who is subpoenaed to appear in court in cases in which the City is a party shall be compensated at one and one-half (1-1/2) times the employee's regular straight-time rate for all hours the employee is so ordered by the City to appear with a minimum of three (3) hours. The exceptions will be for those employees whose work shift ends at 8:00 A.M., whose shift begins less than three (3) hours before the subpoenaed time of appearance, or appears by telephone.

Any employee whose work shift ends at 8:00 A.M., who is subpoenaed to appear in court at 9:30 A.M. or earlier in cases in which the City is a party shall remain on duty and perform regularly scheduled assignments until commencement of the court appearance.

Any employee who is subpoenaed to court less than three (3) hours before the start of their scheduled shift shall be compensated for the amount of time before the actual shift begins. The three (3) hour court minimum will not apply.

Any off duty employee subpoenaed to a hearing in which their appearance is accomplished by telephone have two options. First, they may appear at the Redwood City Police Department and telephone the hearing officer from the police department and receive compensation as if they attended court in person with a three (3) hour minimum. Or second, they may make the telephone call from any location they wish and receive compensation for the duration of their call or a court minimum of two (2) hours for this type of appearance.

The employee shall be compensated at one and one-half (1-1/2) times the employee's regular straight-time rate of pay for hours worked in excess of his/her regularly scheduled hours and for hours he/she is required to spend attending court proceedings.

Employees are to receive three-quarters of one percent adjustment to base salary in lieu of a fourth hour of court pay.

7.7 Uniform Allowance and Safety Equipment

Use of soft body armor shall be optional, and shall not be required by the City.

7.7.1 The City will insure that all new Police Sergeants have or are provided the following articles of uniform clothing:

- 1 dress cap or baseball cap with patch (officer's choice)
- 1 dress tie
- 2 name tags
- \$100.00 maximum annual reimbursement for boots (purchase or resoling).

7.7.2 The City will provide for cleaning, altering, repairing and/or replacement of damaged uniforms as authorized by the Police Chief or his/her designee.

Such furnished uniforms shall remain the property of and under the control of the City.

At the end of each fiscal year, the Finance Department will calculate the total cost of cleaning, altering, repairing and/or replacement of damaged uniforms. This total cost will be divided by the number of Police Sergeants who have been assigned to patrol duty during the fiscal year. The time during which a Police Sergeant is assigned to non-uniformed duties during the fiscal year shall not be factored into the calculations described herein. The resulting quotient will be part of the PERS reportable compensation only for those Police Sergeants who were assigned to patrol duty at any time during the fiscal year. Any Sergeants assigned to patrol duty for less than the full fiscal year will have this amount prorated based on the number of pay periods assigned to patrol.

7.7.3 Police Sergeants assigned to non-uniform duties will receive a uniform allowance of twenty-six dollars and ninety-three cents (\$26.93) each pay period as part of their regular paychecks for all pay periods during which they are so assigned. This amount will be PERS reportable compensation.

7.7.4 Sections 7.7.2 and 7.7.3 are mutually exclusive such that at no time shall a Police Sergeant have his/her PERS reportable compensation increased as described in Section 7.7.2 and also receive a uniform allowance as described in Section 7.7.3 for the same time period.

7.8 Mileage Payment

The City shall reimburse employees for those miles employees are required to drive their personal vehicles in the performance of assigned job duties as follows: Actual costs to and from destination not to exceed a maximum computed at a rate not to exceed current IRS mileage reimbursement limits for miles traveled both within and outside the City by carrier service, including any privately-owned conveyance; provided, however, that for travel to and from destination in excess of 300 miles, said maximum shall not exceed actual air coach fare when such fare is less than the amount computed at the aforesaid rates. For the purposes of this subsection, the actual cost for miles, actually traveled by privately owned conveyance, including cost of fuel, maintenance, repairs, insurance and depreciation, shall be deemed equal to the maximum allowance provided for in this subsection.

If the City is reimbursed by P.O.S.T. for an employee's mileage payment, the City shall pay to the employee the full amount of the P.O.S.T. reimbursement.

7.9 Post Certificate Pay

It is understood that an employee shall not receive both Educational Incentive Pay and Longevity Pay.

7.11 Bilingual Pay

Employees who are assigned to job duties requiring bilingual skills are eligible, with Department Head approval, to receive a two and one-half percent (2½%) base pay differential for the use of these skills in job duties arising during the normal course of work as first responders.

Employees with advanced bilingual skills are eligible, with Department Head approval, to receive a five percent (5%) base pay differential for the use of these advanced skills in job duties arising during the normal course of work. Advanced bilingual skills, for purposes of the five percent (5%) pay differential, are defined as the ability to translate

and communicate beyond conversational speaking and/or basic writing including the ability to translate Spanish well enough to conduct intense suspect and victim interviews at a level that will hold up in court. Officers that accept the 5% pay would be required to agree, when called upon, to translate citywide and be a spokesperson for the police department when communications between the Spanish press and the police department are needed.

Eligibility for the first responder or advanced bilingual pay differential shall be determined by the Human Resources Director on the basis of an oral proficiency test or an oral and written proficiency test respectively. To retain the 2.5% or 5% differential, employees will be required to pass the City's bi-annual proficiency test.

Bilingual skills shall not be a condition of employment except for employees who are hired specifically with that requirement. If an employee is hired under this provision, that requirement shall be included in the initial appointment letter.

The City has the right to discontinue the bilingual differential at any time based on changes to the business needs, provided that the City gives the exclusive representative ten (10) days notice prior to such revocation, in order to allow the opportunity for the parties to meet and confer.

7.12 Temporary Upgrade Pay

An employee temporarily assigned to Police Captain shall have his/her base salary increased by 5% per month. All incentives will be maintained and the employee will be provided a City vehicle.

If the assignment is scheduled to be longer than two weeks in duration, out of class pay will commence on the first day of out of class performance. Persons working out of class are expected to work a schedule as designated by the Police Chief, and perform all duties commensurate with the out of class position they are assigned to.

All members shall be eligible for reimbursement of costs of tuition, registration, fees and books incurred in connection with enrollment in and successful completion of courses of instruction related to the member's position with the City or a higher position with the City, professional development workshops or seminars, post secondary courses offered at an accredited college or university, or P.O.S.T. approved courses.

Each member shall be eligible to receive reimbursement, not to exceed six hundred fifty dollars (\$650.00) each fiscal year, provided that the course of instruction, workshop or seminar is approved in advance of enrollment by the Police Chief and the Human Resources Director, and the member must successfully complete each course submitted for reimbursement with a grade of "C" or better, or a passing grade in a pass/fail course, or with receipt of a certificate of completion or letter certifying the awarding of C.E.U. units.

All members shall be eligible to receive reimbursement, not to exceed three hundred dollars (\$300.00) of the maximum six hundred fifty dollar (\$650.00) tuition

reimbursement fiscal year entitlement, for the purchase of reference materials listed in the core reference material appendix to this M.O.U.

The Human Resources Director and the Police Chief may establish standards and criteria and enact such rules, regulations, procedures and policies as are necessary or appropriate to implement the provisions of this Section.

7.14 Vacations

7.14.1 The times during the calendar year at which an employee shall take vacation shall be determined by the Police Chief or designated representative with due regard to the wishes of the employee and particular regard to the need of the service. All employees shall, on a form provided by the City, indicate their preference for vacation periods during November and December of each calendar year. Preference of vacation date shall be given to employees according to their length of service in as reasonable a manner as possible. The Department will post a final vacation schedule by January 1 of each year.

7.14.2 Full-time employees shall be entitled to annual vacation leave as follows:

Upon completion of four (4) years of employment and thereafter through the ninth year of employment, full-time employees will accrue vacation at the rate of one-hundred-twenty (120) hours per year of service (4.6154 hours per pay period). Upon completion of nine (9) years of employment and thereafter through the sixteenth year of service, full-time employees will accrue vacation at the rate of one-hundred-sixty (160) hours per year of service (6.1538 hours per pay period). Upon completion of sixteen (16) years of employment and thereafter through the nineteenth year of service, full-time employees will accrue vacation at the rate of one-hundred-eighty (180) hours per year of service (6.9231 hours per pay period). Upon completion of nineteen (19) years of employment and thereafter, full-time employees will accrue vacation at the rate of two hundred (200) hours per year (7.6923 hours per pay period).

7.14.3 Vacation leave shall not be accumulated in excess of two (2) years accrued vacation leave computed to the 31st of December, except upon written authorization of the Human Resources Director.

7.14.4 In the event an employee is reinstated, prior service shall be included in determining the applicable rate of accrual of vacation leave. Upon termination of employment a regular employee shall be paid cash value of his/her accrued vacation leave at the time of termination, in accordance with the above schedule.

7.15 Illness During Vacation

7.15.1 An employee who commences a scheduled vacation period and subsequently becomes ill before his or her vacation period has been completed shall be placed on sick leave under the following conditions:

7.15.1.1 The employee otherwise qualified for sick leave as provided by this MOU; and

7.15.1.2 The employee, if no longer ill, returns to duty immediately following the vacation period; and,

7.15.1.3 The employee's illness is verified by a statement from an accredited medical doctor for each such day of sick leave requested.

7.15.2 When the employee's vacation leave is to be converted to sick leave, the appropriate vacation credit shall be restored to the employee's earned vacation balance, and a reasonable opportunity to utilize this vacation credit shall be provided within the City's existing practices in order to avoid loss of vacation credit.

7.16 Holidays

Regular full-time employees shall be entitled to take all authorized holidays at full pay, not to exceed ten (10) hours, for any one (1) day, provided they are in a pay status ten (10) hours, as the case may be, on both their regularly scheduled workdays immediately preceding and following the holiday; and provided further that original probationary employees shall be eligible for the following holidays one (1) through ten (10) only at the straight-time rate of pay during the first six (6) months of service with the City and for the floating holidays eleven (11) only upon completion of twelve (12) months' service with the City.

A holiday that falls on Saturday shall be celebrated on Friday and a holiday that falls on Sunday shall be celebrated on Monday.

In the event that any Administrative Holiday has not been used by the last pay period in the year (based on the preceding 26 pay periods), the City will endeavor to make payment on the non-payroll Friday immediately following the first payroll Friday in January; however the payment will be made no later than the first pay period in February.

7.17 Call Back / Call-Out Pay

Employees who are called back after leaving work at the end of the normal working day or called in to work on their days off shall be credited with no less than two (2) hours at the overtime rate.

Sick leave usage shall not be considered as a privilege, which an employee may use at his or her discretion, but shall be allowed only in case of necessity of actual sickness or disability. Charge for sick leave used shall be on the basis of one (1) hour for each hour used; provided however, that sick leave shall be charged for only those hours when the employee was absent from work. Sick leave may not be used before it is earned.

At the City's request, an employee who has been absent more than three (3) days must file with the City a statement by a person licensed to practice medicine or dentistry that the employee was under said doctor's care while absent. When an employee returns to work after any absence chargeable to sick leave or as a result of an industrial absence or illness, the City may require a statement from a physician that the employee is in fit physical condition to perform all the duties of his or her position. In addition, the employee may be required to undergo a medical examination at the City's expense before the employee is permitted to return to work.

An employee may use up to six (6) days of accrued sick leave in any calendar year for illness in the immediate family. For the purpose of this Section, immediate family means spouse, domestic partner or child.

At the same time, the employee shall provide the

immediate supervisor with a telephone number where he/she can be reached during the term of the absence. The burden of proof of extreme emergency or exceptional unforeseen circumstances shall be upon the unit member.

- 9.1.3** Sick leave pay shall not be granted when the disability arises from any illness, sickness or injury sustained while engaged in a gainful occupation (other than City service) either as an employee, officer, and executive or as a business or professional proprietor or partner.

Payment shall be made at twenty-five percent (25%) of the value of the unused sick leave (50% when no more than 12.5 hours of sick leave have been used) for the preceding (26) pay periods. The City will endeavor to make payment on the non-payroll Friday immediately following the first payroll Friday in January; however the payment will be made no later than the first pay period in February and shall be paid using the salary in effect December 31. There shall be no payment in lieu of accumulated sick leave benefits for years prior to such calendar year.

Accumulated sick leave credits shall be reduced by the value of the sick leave compensated as provided in the above paragraph and the remaining balance shall be accumulated to a maximum of one thousand three-hundred and seventy (1370) hours in accordance with Section 9.1.1.

If a unit member terminates for reason other than death, retirement or discharge, compensation in lieu of unused sick leave shall be paid in accordance with the terms provided for an employee who may elect to receive compensation in lieu of sick leave credits, prorated to the date of termination of service.

In the event of the death of a unit member, such payments shall be made to the designated beneficiary filed with the Director of Finance, or, in the event no designated beneficiary has been chosen, the beneficiary listed in the unit member's insurance policy shall receive payment of such unused sick leave as provided under the provisions for a unit member who elects to receive compensation in lieu of sick leave credits. Unit members discharged shall not be eligible for payment of unused sick leave.

15.2.6 Any unit member may at any time present grievances to the City and have such grievances adjusted without the intervention of the Association, as long as the adjustment is reached prior to arbitration and the adjustment is not inconsistent with the terms of this MOU: provided that the City shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. Upon request of the grievant, the grievant may be represented at any stage of the grievance procedure by a representative of the Association.

15.2.7 This grievance procedure shall be the sole and exclusive procedure for processing objections or challenges to punitive disciplinary actions and shall satisfy all administrative appeal rights and protections afforded by the Public Safety Officers Procedural Bill of Rights Act, Government Code Sections 3300, et seq.

15.3 Procedure

Grievances will be processed in accordance with the following procedures:

15.3.1 Level I - Informal Resolution

15.3.1.1 Any unit member who believes he/she has a grievance which is an alleged violation of the specific provisions of this MOU shall present the grievance orally to the immediate supervisor within ten (10) days after the grievant knew, or reasonably should have known, of the circumstances which form the basis for the grievance. Failure to do so will render the grievance null and void. The immediate supervisor shall hold discussions and attempt to resolve the matter within ten (10) days after the presentation of the grievance. It is the intent of this informal meeting that at least one personal conference be held between the aggrieved employee and the immediate supervisor.

15.3.1.2 Any unit member who believes he/she has a grievance which is an objection or challenge to any punitive disciplinary action shall present the grievance orally to the Captain within ten (10) days after the grievant knew, or reasonably should have known, of the circumstances which form the basis for the grievance. Failure to do so will render the grievance null and void. The Captain shall hold discussions and attempt to resolve the matter within ten (10) days after the presentation of the grievance. It is the intent of this informal meeting that at least one personal conference be held between the aggrieved employee and the Captain.

15.3.2 Level II - Formal Written Grievance

- 15.3.2.1** If the grievance is not settled during the informal conference and the grievant wishes to press the matter, the grievant shall present the grievance in writing on the appropriate form to the Chief of Police within ten (10) days after the oral decision by the immediate supervisor. The written information shall include: (a) A description of the specific grounds of the grievance, including names, dates, and places necessary for a complete understanding of the grievance; (b) A listing of the provisions of this MOU which are alleged to have been violated; (c) A listing of the reasons why the immediate supervisor's proposed resolution of the problem is unacceptable; and (d) A listing of specific actions requested of the City which will remedy the grievance.
- 15.3.2.2** The Chief of Police shall communicate the decision to the grievant in writing within ten (10) days after receiving the grievance. If the Chief of Police does not respond within the time limits, the grievant may appeal to the next level.
- 15.3.2.3** Within the above time limits either party may request a personal conference.
- 15.3.2.4** Prior to determining the level of discipline to be taken on alleged violations of City or Department rules and/or regulations, the Chief or his designee will:
1. Ascertain if the represented employee wishes the Association to intervene on their behalf prior to the decision being made by the Chief as to level of discipline.
 2. In those cases where intervention is not desired, the Chief's decision will be made without Association intervention. Denial of Association involvement at this level does not affect any other part of the grievance procedure contained in this MOU.
 3. When intervention is desired, the Chief will contact the President or their designee to schedule a meeting where the representative will be granted access to the investigative file. This access will not include the right to copy any portion of the file in question. Appropriate copies will be made available after the actual discipline is determined. After being given a reasonable amount of time to read the file, the Chief will listen to confidential, oral input as it relates to the actual level of discipline to be taken. Association involvement at this level, does not affect any other part of the grievance procedure contained in this MOU.

4. The entire process from date of notification to the PSA, by the Chief, will be no longer than 10 working days unless extended by mutual agreement.
5. All communications between the Chief and the Association at this level is advisory and confidential.

15.3.3 Level III - Appeal to Human Resources Director

15.3.3.1 If the grievant is not satisfied with the decision at Level II, the grievant may within ten (10) days of the receipt of the decision at Level II appeal the decision on the appropriate form to the Human Resources Director. This statement shall include a copy of the original grievance and appeal, and a clear, concise statement of the reasons for the appeal. Evidence offered in support of a disciplinary grievance filed pursuant to Section 15.2.3 of this MOU shall be submitted in the form of written declarations executed under penalty of perjury.

15.3.3.2 The Human Resources Director shall communicate the decision to the grievant within ten (10) days. If the Human Resources Director does not respond within the time limits provided, the grievant may appeal to the next level.

15.3.4 Level IV - Binding Arbitration

15.3.4.1 If the grievant is not satisfied with the decision at Level III, the grievant may within ten (10) days of the receipt of the decision submit a request in writing to the Association for arbitration of the dispute. Within twenty (20) days of the grievant's receipt of the decision at Level III, the Association shall inform the City of its intent as to whether or not the grievance will be arbitrated. The Association and the City shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request that the State Conciliation Service supply a panel of five names of persons experienced in hearing grievances in cities. Each party shall alternately strike a name until only one remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot.

15.3.4.2 If either the City or the Association so requests, a separate arbitrator shall be selected to hear the merits of any issues raised regarding the arbitrability of a grievance. No hearing on the merits of the grievance will be conducted until the issue of arbitrability has been decided. The process to be used in selecting an arbitrator shall be as set forth in 15.3.4.1.

15.3.4.3 The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall

determine the issues by referring to the written grievance and the answers thereto at each step.

15.3.4.4 The City and the Association agree that the jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of this MOU at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this MOU or the written ordinances, resolutions, rules, regulations and procedures of the City, nor shall he/she impose any limitations or obligations not specifically provided for under the terms of this MOU. The Arbitrator shall be without power of authority to make any decision that requires the City or management to do an act prohibited by law.

15.3.4.5 In the event that this grievance procedure is used to challenge punitive disciplinary actions as provided in Section 15.2.7 above, the City and the Association agree that the arbitrator shall prepare a written decision containing findings of fact, determinations, of issues and a disposition either:

(1) that the position of the grievant shall be sustained; or

(2) that the position of the Police Chief shall be sustained.

15.3.4.6 After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings and award.

15.3.4.7 The award of the arbitrator shall be final and binding.

15.3.4.8 The fees and expenses of the arbitrator shall be shared equally by the City and the Association.

All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services of such court reporter shall be shared equally by the parties.

15.3.4.9 By filing a grievance and processing it beyond Level III, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than as provided by this grievance/arbitration procedure. The processing of a grievance beyond Level III shall constitute an express election on the part of the grievant that the grievance/arbitration procedure is the chosen forum for resolving the issues contained in the grievance, and that the grievant will not resort to any other forum or procedure for resolution or review of the issues. The parties do not intend by the provisions of this paragraph to

preclude the enforcement of any arbitration award in any court of competent jurisdiction.
