City Council Chambers**

**9:00 AM**

**1. 1790 Industrial Way (Action Towing)**

Pursuant to Section 17.2(D) of the Redwood City Zoning Ordinance, Brian Banks, on behalf of Action Towing, is applying for a **Use Permit** to allow for the operations of a vehicle towing establishment at 1790 Industrial Way, located within the Industrial-Restricted (IR) Zoning District. The project would serve as the primary dispatch for all towing and repair operations for the business, and would include the short-term storage and minor auto repair of towed and/or impounded vehicles, as well as the sale of unclaimed vehicles once a week. Hours of operation would be 24 hours/day, seven days a week. No additional floor area or expansion of building footprint is proposed as part of this project.
