ZONING ADMINISTRATOR AGENDA

**September 30, 2009
City Council Chambers**

9:00 AM

1. 170 Alameda de las Pulgas (Clearwire Legacy LLC /Sequoia Hospital)

Application by Clearwire Legacy LLC for a Use Permit to establish an unmanned, rooftop, wireless telecommunication facility, consisting of six microwave dishes and three antennas proposed for location on the Sequoia Hospital rooftop penthouse and a rooftop equipment cabinet and cable tray. The property is located in the "PC" (Planned Community) Zoning District.

Project Planner: Maureen Riordan X7236

9:30 AM

2. 301 Galveston Drive (AT&T)

Application of AT&T for a Use Permit to establish an unmanned, wireless telecommunication facility, consisting of four equipment cabinets and other equipment that would be located behind a solid wood fence under a PG&E transmission tower and six antennas proposed for location on the transmission tower. The property is located in the "IP" (Industrial Park) District.

Project Planner: Maureen Riordan X7236
