## *Recycled Water Project Update*

Redwood City Recycled Water Project — Seaport Area

April 2008

The contractor will be trenching and installing the pipeline in a counter clock wise direction in the Seaport Business Center. Driveway Access to and from driveways will be maintained.

### Seaport Area Pipeline Construction Update

#### Seaport Court, Herkner Road and Seaport Blvd northeast of Chesapeake Drive

Road resurfacing activity over previously trenched sections of the roadway will finally occur this month (April), assuming favorable weather conditions continue.

#### Seaport Business Center — Chesapeake Drive and Seaport Center Loop

The contractor has begun pipeline trenching and installation activities on Chesapeake Drive heading toward Saginaw Drive. Penobscot Drive and then

Galveston Drive are to follow. Access will be maintained throughout the duration of the Project. Construction work hours are from 7:30 AM – 4:30 PM, Monday through Friday. Please contact our offices if you have any questions regarding these activities at (650) 743-5759.

The City of Redwood City would like to thank you for your patience throughout construction of the Recycled Water Project. We are working closely with our contractors to minimize construction impacts.
