

## **Appendix A. Notice of Public Hearing and Adopted Resolution**

## RESOLUTION NO. 14530

**RESOLUTION TO ADOPT AMENDMENT TO URBAN WATER MANAGEMENT PLAN**

**WHEREAS**, the California Legislature has enacted Assembly Bill 797 (Water Code section 10610 et seq., known as the Urban Water Management Planning Act, hereinafter referred to as "the Act") during the 1983-1984 Regular Session; and

**WHEREAS**, the Legislature has determined that management of urban water demands and efficient use of water shall be actively pursued to protect both the people of the state and their water resources; that efficient use of urban water supplies shall be a guiding criterion in public decisions; and that urban water suppliers shall be required to develop water management plans to actively pursue the efficient use of available supplies; and

**WHEREAS**, every urban water supplier is required to prepare and adopt an urban water management plan and periodically review and amend the plan; and

**WHEREAS**, the City of Redwood City is an urban water supplier as it provides water for municipal purposes either directly or indirectly to some 83,000 customers to include but not limited to residents, businesses, and governmental agencies; and

**WHEREAS**, in accordance with the statutory requirements of the Act, in 1985, the City of Redwood City developed its first Urban Water Management Plan which has periodically amended, the latest amendment having occurred on July 15, 2002; and

**WHEREAS**, the City of Redwood City has prepared and circulated for public review a draft amended Urban Water Management Plan, and a duly noticed public hearing regarding the said amended Plan was held by the Council of the City of Redwood City on May 12, 2003; and

**WHEREAS**, on May 12, 2003, the City of Redwood City closed the public hearing regarding said amended Plan and instructed City staff to return at a future council meeting with language changes to Section 2.2 – Recycled Water which would:

- Clarify that Council has not yet decided on implementation of an expanded recycled water project;
- Note the Council's commitment to consideration of additional information and public comment; and
- Reference the City Council's recently adopted policy that use of recycled water not be made mandatory for existing residences and homeowners' associations:

"Redwood City will not make the use of recycled water mandatory to existing residences or homeowners' associations."

**WHEREAS**, on June 2, 2003, the City Council considered the language changes to Section 2.2 – Recycled Water as proposed by the June 2, 2003, staff report.

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF REDWOOD CITY, AS FOLLOWS:**

1. That certain Plan entitled, URBAN WATER MANAGEMENT PLAN 2003, a copy of which is on file in the offices of the Public Works Services Department, to which copy reference is hereby made for the full particulars thereof, is hereby approved and adopted, including the proposed language amending Section 2.2 – Recycled Water as set forth in the staff report of June 2, 2003.
2. The City Clerk is hereby authorized and directed to file the aforesaid Plan with the California Department of Water Resources and with the County of San Mateo within 30 days from the adoption of this resolution.

\* \* \*

Passed and adopted by the Council of the City of Redwood City at a Regular Meeting thereof held on the 2nd day of June, 2003 by the following votes:

AYES, and in favor of the passage and adoption of the foregoing resolution,  
Council members: Howard, Jordan, Pierce, Ruskin, Ira,

NOES: Hartnett, Claire

ABSTAIN: None

ABSENT: None

---

RICHARD S. CLAIRE  
Mayor of the City of Redwood City

Attest:

---

Patricia Howe  
City Clerk of Redwood City

I hereby approve the foregoing  
resolution this 2nd day of June, 2003.

---

RICHARD S. CLAIRE  
Mayor of the City of Redwood City
