

**CITY OF REDWOOD CITY  
LIST OF CERTIFIED BACKFLOW PREVENTION ASSEMBLY TESTERS**

Please be advised that the City of Redwood City only accepts test results from assembly testers meeting certain program requirements. This list is provided as a service to our customers to identify the testers which have met these requirements and it does not endorse any of the following listed companies. Program requirements for assembly testers include: valid certification from Ca- NV Section AWWA as a Backflow Assembly Tester; current gauge calibration certification; possession of CA state Contractors license; and a Current Redwood City business license.
