

Orion Elementary School

815 Allerton Street, Redwood City, CA 94063 (650) 363-0611

ORION SAFE DROP OFF

Arrival and Departure

THIS IS A SERIOUS SAFETY ISSUE! PLEASE FOLLOW THE RULES!

- Quick unloading and loading of passengers is permitted on Allerton and Warren. **If your child is not outside when you arrive for pickup, circle the block until they come out. No parking is permitted in the loading zone.**
- Parents must **have their children ready** to leave the car when they arrive at the drop off.
- Someone will be there to help your child exit the car so you can proceed quickly out of the space.
- Do not use Alden Street for drop off or block the handicap parking spaces on Alden Street. **The police will be called to ticket any car left unattended in the drop off and handicapped zones.**
- Insist that your child use the cross walks. For safety, drop off your child/ren from the passenger side of the car.
- For Kindergarten parents: It is recommended that parents arrive early, park, and to walk and pick up their child from the classroom. Kindergarten students must always be picked up at the classroom or yard. They may not leave without a parent, or pickup person listed on your child's emergency card. Please be on time and quiet when picking up, as the 1st-5th grade students are still in class.
