MARCH 2017 UPDATE

Round two of the community meetings were held on the following dates:

- Community Meeting at Friendly Acres: Tuesday, April 18, 6:30-8:30 PM, PAL Community Center
- Community Meeting at North Fair Oaks: Wednesday, April 19, 6:30-8:30 PM, North Fair Oaks Community Center
- Community Meeting at Redwood Village: Saturday, April 29, 3-5 PM, Hoover Elementary School

In order to collect additional input from residents on enhancements that would create more livable streets, we are asking residents of the Friendly Acres, Redwood Village, and North Fair Oaks neighborhoods to fill out the online survey linked at the top of the page. We will use this input to better choose alternative plans for use of the Livable Neighborhood Streets Program funds.

The first round of community outreach meetings was held with the neighborhoods of Friendly Acres, North Fair Oaks, and Redwood Village the week of February 6. The purpose of those meetings was to explain the Livable Neighborhood Streets project to residents and to obtain input from the residents on how to prioritize neighborhood street enhancements. Notes from the meetings are below, under Community Engagement. The online survey is intended to supplement the input received, including input from those unable to attend the first meeting.
