

# Veterans Memorial Senior Center – YMCA Project

## February 22 Community Workshop: Preferred Site Plan Presentation

Thank you to everyone who was able to join us for the first two Veterans Memorial Senior Center-YMCA Project workshops on January 17 and January 31! After a long road the City and the YMCA are nearing the apex of the master-planning phase to build a new Veterans Memorial Senior Center and a separate, new YMCA facility. The comments and questions have provided invaluable feedback and will be the genesis of a better project!

At the upcoming February 22 workshop, the project's lead architect will present a single proposal as a preferred site plan, as well as early design concepts. Following the presentation attendees will break into table groups for a brainstorming session to discuss the plan and then share their ideas with all those in attendance.

### The evening's agenda is as follows:

6:00 pm	January 17 Open House and Gallery Walk Refresh (if you missed the first meeting, this is your chance to get familiar with the master planning process and concepts)
6:10 pm	Welcome by Chris Beth, Redwood City Parks, Recreation and Community Services
6:15 pm	Presentation by Clarence Mamuyac, ELS Architecture
6:35 pm	Table Breakout Session
6:55 pm	Table Group Presentations
7:25 pm	Wrap and Next Steps
7:30 pm	Q&A
7:45 pm	Adjourn Meeting

The workshop begins at 6 pm and is located at the Veterans Memorial Senior Center, Redwood Room.

We hope you can join us at this upcoming community meeting to provide your input!
