

TRAFFIC-RELATED MEETING #1
MARCH 1, 2018
AGENDA

A more in-depth discussion of parking, traffic and circulation is important to ensuring the proposed new Veterans Memorial Senior Center and separate YMCA facilities can be a success for both immediate neighbors and the community-at-large.

The workshop series will include three traffic-specific meetings with interested community members. Please consider joining us and providing your input.

AGENDA

- Walking Audit of the neighborhood with traffic planning expert [Dan Burden of Blue Zones](#) (weather permitting*).
- Informal discussion to identify anticipated “hot spots” and specific neighborhood areas of concern related to traffic and parking
- Brainstorm traffic ideas to identify topics for the second two meetings

Traffic – Specific Meeting #1 Details

Date: Thursday, March 1, 2018

Time: Two sessions: 4:30-6 pm or 6-7:30 pm (*two options for community to choose from*)

Location: Veterans Memorial Senior Center

**The meeting will proceed regardless of weather conditions; however, if there is foul weather the walking element will be replaced by a virtual tour of the neighborhood via Google Maps.*
