Redwood City 2019

The City of Redwood City is a San Francisco Bay Area community located in the heart of Silicon Valley, the technology-rich region extending from the San Francisco Peninsula to the foothills of the Santa Cruz Mountains. Redwood City is the third largest city within the County of San Mateo, with 84,685 residents. The city enjoys an average of 255 sunny days a year, which it boasts via the city slogan, “Climate Best by Government Test”. Incorporated in 1867, Redwood City marked its Sesquicentennial Year with celebrations all throughout 2017. Redwood City is home to the San Mateo County History Museum (located in the county’s old courthouse) and the only active deepwater port within the south bay of San Francisco. The city’s vibrant downtown, quickly becoming known as the entertainment hub of the San Francisco Peninsula, offers residents, visitors, and businesses, a unique retail, entertainment, and restaurant experience.

Redwood City has seen a tremendous boom in both housing and office space, becoming a hub for tech companies with its conveniently located Downtown.

Redwood City has coordinated great community events each year offering around 90 days of programming for families to enjoy. Events range from musical concerts for kids and adults to cultural festivals, and much more!

About the Show:
The Zoppé Family Circus welcomes guests into the intimate tent for a one-ring circus that honors the best history of the Old-World Italian tradition.
