ARE YOU PREPARED?

LOCAL PUBLIC SAFETY OFFICIALS ARE DEVELOPING CONTINGENCY PLANS NOW.

PLEASE PLAN TODAY.

Pacific Gas and Electric Company is planning for potential power shutoffs that may impact Redwood City, San Carlos and San Mateo County residents and businesses.

Factors that could lead to a shutoff include:
- Red flag warning declared
- Low humidity conditions
- High winds
- Dry vegetation

HELP KEEP OUR COMMUNITIES SAFE- PLAN TODAY FOR EMERGENCY CONDITIONS

01 PLAN IN ADVANCE
- Sign up for emergency alerts at www.redwoodcity.org/smcalert and pge.com/mywildfirealerts
- Plan for medical needs for you and your loved ones
- Build an emergency supply kit with supplies to last three days (food, water, cash, batteries, flashlights, pet food, medicine, etc.)
- Ensure any backup generators are ready to safely operate
- Identify back up phone charging methods
- Fill your gas tank often
- Consider staying with friends and family outside the area

02 TAKE ACTION DURING A SHUT DOWN
- Stay home, avoid major highways, local streets
- Stay informed, through emergency alerts
- Only call 9-1-1 during an emergency situation
- Turn off your electrical devices
- Check on neighbors who have medical issues
