

School-Age Child Care in Redwood City

Licensed before- and/or after-school child care programs for **five- to twelve-year-old children** operate at or near the Redwood City public schools listed below. Some will enroll children from other schools who have their own transportation. Care operated by private schools for their students is license-exempt. Parents can call each program listed for specific information on fees, hours, and ages served, and to make an appointment to visit. Programs indicated with ** have State-subsidized spaces for income-eligible families; call for details.

In addition, some **licensed family child care home providers** will pick up children at school and provide afternoon and school holiday care. Call 4Cs at 517-1460 for referrals.

Other after-school academic support & recreation programs, and sports activities are available on many campuses. Inquire at the school office.
