Dear Mr. Jany:

I am writing on behalf of the Redwood City School District to thank the Historic Resources Advisory Committee for their ongoing commitment to youth in our community. Every year the HRAC provides tours of historic downtown Redwood City sites, including lunch, for many of our 7<sup>th</sup> grade students.

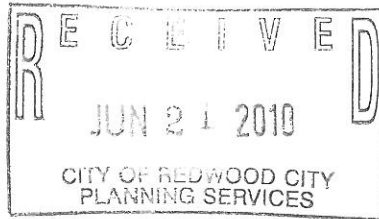

These National Historic Preservation tours provide our students with the invaluable opportunity to learn about the history and evolving heritage of Redwood City, including historically significant buildings and landmarks, and an understanding of the city's role in the history of the Bay Area and the State of California.

Our school staff and administrators are deeply appreciative of this service you continue to provide our students. The children who take these tours develop a deeper appreciation for their community's rich heritage and exhibit a greater sense of civic pride.

Sincerely,

A handwritten signature in cursive script that reads "Jan Christensen".
