Memo

To: City Council
From: Blake Lyon, Planning and Housing Services Manager
CC: Bill Ekern, Community Development Director
Date: September 9, 2013
Re: Revised Resolutions and Comments for Stanford in Redwood City

For your consideration:

1. We have attached two revised Resolutions regarding the Stanford EIR certification. These provide two different options for the Council in determining the historic significance of structures on the property, and clarify the necessary mitigations. The MMRP is also included as part of this resolution.
2. A copy of a letter that was sent in response to the County of San Mateo letter with comments on the Final EIR.
3. A comment letter that was received today regarding the project.
