

Residential Solar Rebate Amount

Rebated amount is effective July 1, 2025 through June 30, 2026.

- **Newly purchased and installed residential solar system – \$500**

ALL REDWOOD CITY HOMEOWNERS ARE ELIGIBLE

for a \$500 rebate for newly purchased and installed residential solar system

Rebate Limits:

Limit of one rebate per residential unit

Terms & Conditions

- Rebates are distributed on a first come, first serve basis until all funds are expended or through the program expiration date of June 30, 2026, whichever comes first.
- Rebates are \$500 for one newly purchased and installed residential solar system.
- Product(s) must be new, and installation must be permitted by the City of Redwood City.
- Limit of one rebate per residential unit.
- Rebates may take up to eight (8) weeks to process.
- Rebates are issued as checks.

To Be Eligible for the Program

- Applicant must complete and sign the Residential Solar Rebate Application and provide all requested material.
- Applicant must be a Redwood City homeowner. Applicant must be able to provide proof of homeownership. To ensure eligibility for rebate, verify eligibility with Public Works Services BEFORE purchasing new equipment.
- The solar system must be installed between July 1, 2025 and June 30, 2026. Installation must be permitted by the City of Redwood City. The rebate application must be submitted within 90 days of solar system installation date. A copy of the original solar system purchase receipt or paid invoice must be included with the application. If applicant submits original receipt(s) and needs them returned, they must enclose a self-addressed, stamped envelope with their application.
- A copy of the installation receipt or paid electrician's invoice with the electrician's license number must be included with the application.
- A copy of the final, signed building permit or permit number must be included with the application.
- One rebate per residential unit. All rebates are subject to availability of funds.
